

INTERNSHIP REPORT

Virtual Data Science Apprentice – Data Visualization

Student / Intern	Paritosh Kumar
Organization	YuvaIntern
Internship Role	Virtual Data Science Apprentice – Data Visualization
Certificate Type	Certificate of Experience
Certificate Number	YI/2026/200747/451176
Date of Issue	October 07, 2026
Authorized By	Kounal Gupta, Founder, YuvaIntern.com

1. Introduction

This report summarizes the internship experience documented in the Certificate of Experience issued by YuvaIntern to Paritosh Kumar. According to the certificate, the internship was completed in the role of Virtual Data Science Apprentice – Data Visualization. The certificate recognizes the intern's dedication, professionalism, willingness to learn and grow, integrity, and commitment during the program.

2. Internship Overview

The internship focused on the role of a Virtual Data Science Apprentice with a specialization in Data Visualization. The certificate confirms successful completion of the internship and identifies the organization as YuvaIntern. It also states that the intern's contributions were valued by the team.

3. Role: Data Visualization

The documented internship role was "Virtual Data Science Apprentice - Data Visualization." The certificate itself does not provide a detailed list of software, datasets, projects, techniques, or individual assignments completed during the internship. Therefore, this report does not attribute specific technical tasks to the intern beyond the stated role.

4. Professional Development

The certificate specifically highlights consistent dedication, professionalism, a strong willingness to learn and grow, integrity, and commitment. These qualities indicate that the internship was also intended to provide professional exposure and practical learning within the organization.

5. Organization Details

The certificate is issued on behalf of YuvaIntern and is signed by Kounal Gupta, Founder, YuvaIntern.com. The certificate also lists Henry Harvin offices in the United States, India, and the United Arab Emirates. The India office is listed as Henry Harvin India Education LLP, Henry Harvin House, B-12, Sector-6, Noida (UP), India-201301.

6. Learning Outcomes Supported by the Certificate

Based strictly on the certificate, the documented outcomes include exposure to a data-science-related role centered on data visualization and development of professional qualities such as dedication, professionalism, learning orientation, integrity, and commitment. Specific technical learning outcomes are not stated in the source certificate.

7. Conclusion

Paritosh Kumar successfully completed an internship with YuvaIntern as a Virtual Data Science Apprentice – Data Visualization. The certificate recognizes the intern's professional conduct, dedication, willingness to learn, integrity, and commitment. This internship can be presented as relevant practical exposure in the field of data science and data visualization, while detailed project work or technical tools would require additional supporting documentation.

8. Certificate Verification Details
